ABSTRACT.

States that under the Sudour distillery system persons buying a quantity of more than 20 gallons of liquor are allowed the benefit of 2 annas in each rupee on account of evaporations and consequently 230×24000 gallons were being purchased annually from the Distilleries for the last 11 years in addition to the sales conducted at the Wholesale shops. The closing up of these shops this year brought home a large decrease in the revenue, although a very few (one or two) shopkeepers in a number of taluks purchased a small quantity of liquor. That under the old system retail vendors purchased liquors every morning & reached their shops by 3 o clock whereas now it

Your representation should be made to the Commissioner for his consideration in the first instance and it does not appear that this has been done as yet. Your petition should be sent to the Commissioner through the Deputy Commissioner

Mysore 1/8/75. Allow the headman of Basavana mahalé to proceed with the petition upon the Commissioner. The petitioner may be allowed to purchase 20 gallons of liquor at the Wholesale shop at Mysore at a reduced rate of Rupees 2 per gallon.

if they have to go to Pakalli it takes 2 or 3 days to reach their respective shops which would throw much inconvenience & hardship on them-

Begs therefore that if orders prohibiting the sale of liquor direct from the distilleries to the retail vendors & directing their purchase from those of the wholesale vendors are issued, petitioner would hold himself responsible for disposing of the same quantity of liquor as was sold last year, and is also prepared to give security for the same. Or if he is allowed to open the wholesale shops at Mandya, Periapatna & Nagara he would act up to the foregoing terms, and the deduction on account of evaporation &c may be made either at the rate of 2 annas per rupee as laid down in the Chief Commissioner's Circular, or reduced to that of annana.

To

The Secretary to the Chief
Commissioner of Mysore

Sir

Referring to para 2 of the Chief Commissioner's Printed Proceedings No 2334/R 38 dated 16th June 1875, on the Subject of Wholesale Depôts and the discount of two annas, I have the honor to state for the information of the Chief Commissioner, that the number of Wholesale Shops maintained under the Seddur Distillery System was 14, namely 4 in the Town of Mysore, 4 at Hoonsur, 3 at Seroor, 2 at Malvelli and one in Narsipore & the Salkad Taluk. The monthly license fee charged for each Shop was only rupees two or Rs: 28 for all. As all these Wholesale Shops belonged to Distillers who ceased to distil liquor, they were dispensed with by the Dy Collr.

The

The amount which was realized by Government in the shape of Still head duty under the Sudder Distillery System which was in force upto 15th April 1875 was 2½ Rs. per gallon in the Town of Mysore, and 2 Rs. in other places; and deducting from this the discount of 5 annas per gallon in Mysore and 4 annas elsewhere at the rate of 2 annas per rupee in cases of purchases of more than 20 gallons of liquor, the total amount credited to Government was Rs. 2 . 3 . 0 and 1 . 12 . 0 per gallon respectively.

The amount derived by Government under the present monopoly system is Rs. 4 per gallon in the Town of Mysore, and Rs. 3 . 5 . 0 in the Taloocks, minus the Cost price of 13 annas per gallon paid to Messrs. Arathoon & Co.

As the retail vendors in the Taloocks of Hoggeddevankota, Gundlupet, Malvalli and Periapatna find it inconvenient to obtain liquor from Pandavapura, owing to the distance, the Deputy Commissioner of Mysore recommends the establishment of Wholesale Shops in these places, tenders having been received for the supply of

& liquor thereon ~~commissioner~~ 1 anna per
Gallon, which will amount to nearly 1anna and
4 pies per rupee on the amount derived by
Government by the sale of liquor, exclusive of
the cost price paid to Messrs. Strathcona and Co.
This arrangement is necessary under existing
circumstances, and I request you will inform me
whether it meets with the approval of the Chief
Commissioner. No wholesale Shops are needed
for the present in other places.
